Fall schedule of the Ocean County Artists' Guild Photography Group.

Photo Group meetings are held at 7:00 p.m.

September 14, 2018 - Bill Kirms will be holding a Photoshop CC workshop. There will be plenty of things to learn for both beginners and seasoned veterans. Many of the techniques he will be sharing also work in Elements.

October 12, 2018 - John Bendel presents Urban Exploration with a Camera. John was an early participant in Urban Exploration before it had a name. He is going to share with us how he got started and what keeps him going back.

November 9, 2018 - Ben DeMarco will once again offer a review of our photos for Black & White Critique Night. Got a favorite photo or two in black & white but not sure why it doesn't quite have that zing? Ben will help get your B&W photography on track with actionable constructive criticism.

December 14, 2018 - It's a night of Favorites! Bring your favorite Holiday treat to share AND your all time favorite photos. Tell us how the photo came about and what makes it one of your favorites.

“Thank You” to all of our helpers who wanted to be a part of our team, especially Kath Gregitis, Renate Kupatt, Susan Hale, & Pat Grabarczyk. Your efforts are always appreciated & table scaping is always fun!

Another special thanks to the Trish Maffei Family for their table scape contributions.

In her absence, her family displayed very special pieces of her art work. Trish was a member of the Guild for about one year & her contributions to the Guild & to the art world will always be remembered.

Along with the very talented Pearl Rhodes, in Gallery 2, we had an exceptionally well attended successful Sunday Reception.

Till next month, Marcie Falconetti, marciefalco@aol.com, (732) 818-0849

PS All members are encouraged to bring in any type of ‘finger food’ to complete some empty spaces at our buffet table.
