

## Linda Lafferty Watercolor Supply List

Please bring any supplies that you already have to the class. If you choose to purchase additional supplies, I hope you will find the following recommendations helpful.

Watercolor supplies can be bought locally at Michaels or AC Moore.

Online supplies can be ordered from [dickblick.com](http://dickblick.com) who has discounted prices for students and professionals. They also have ongoing sales, so calling for sales dates can save you money. (877-943-9269) there is a Blick store in Paramus NJ on route 4 West if you are up for a fun road trip!

PAINT- We will use transparent watercolor paints.

Colors I use are: Lemon Yellow

Raw Sienna

Burnt Sienna

Alizarin Crimson or Scarlet Lake

Hookers Green or Sap Green

Ultramarine Blue or Windsor Blue

VanDyke Brown

Payne Gray

Davy's Gray

BRUSHES- We will be using watercolor brushes, natural or synthetic OK.

FLAT HEAD- In widths, 1", 3/4", 1/2", 1/4", 1/8"

RIGGERS- Small and Medium

PAPER- Your "WOW" factor opportunities with watercolor painting will depend on your Paper! Thickness is key, so bring what you have on hand if unsure and we will measure the thickness in class. You need 140 lb. cold press paper in single sheets or a block. Arches is the best, but ask for a comparable brand if cost is less. Demos will be on 18x24 size paper, but feel free to choose your own paper dimension.

PALETTE- You will need a non porous, white, large flat platter or plastic store bought plastic palette as large as possible, to squeeze out small samplings of paints around perimeter and have a large mixing area in center.

WATER CONTAINER- You will need a white or clear bowl, short vase, plastic whipped butter or Cool Whip container, etc. chance to RECYCLE!

MISC. ITEMS- Pencil, Eraser, Sponge, Scissors or Xacto knife, salt, any size spray bottle New or Used, Paper Towels, small tube of Opaque White watercolor paint To "Make it Snow"

INSPIRATION- I recommend Photos, Vacation Brochures, Calendar Photos, Flowers, Magazine Clippings, Downloaded National Geographic or Favorite photo Sites and Print.

But just in case you need an idea, you are always welcome to copy the "Demo" of the night or rummage through the instructor photo file.

LET'S PAINT!!!!!!!!!!
