Fall schedule of the Ocean County Artists' Guild Photography Group.

Photo Group meetings are held at 7:00 p.m.

October 12, 2018 - John Bendel presents Urban Exploration with a Camera. John was an early participant in Urban Exploration before it had a name. He is going to share with us how he got started and what keeps him going back.

November 9, 2018 - Ben DeMarco will once again offer a review of our photos for Black & White Critique Night. Got a favorite photo or two in black & white but not sure why it doesn't quite have that zing? Ben will help get your B&W photography on track with actionable constructive criticism.

December 14, 2018 - It's a night of Favorites! Bring your favorite Holiday treat to share AND your all time favorite photos. Tell us how the photo came about and what makes it one of your favorites.

"Thank You" to all of our helpers who wanted to be a part of our team, especially Denise Gray, Caitlyn Snyder & Sally Cornelison, who all saved the day! Your efforts are always appreciated & table scaping is always fun!

Another special thanks to all our members who participated in the "Face Off" Exhibit.

It was an outstanding quest in a mixed media theme of Masks, especially for those in attendance that are not familiar with the limitless techniques that were described at Sunday's Salon that started at 2:30pm. What a marvelous display of talent!

Hope to see you again next month.

PS If anyone has any backyard or garden flowers to bring in for our Sunday Receptions, that would be great! Last thought - all members are encouraged to bring in any type of 'finger food' (except crock pot type food) to complete some empty spaces at our buffet table.

ARTISAN'S MARKET

Have you ever seen a spooky abandoned building and been curious as to what's inside?

If so, come join us at the Ocean County Artists' Guild on **Friday, October 12, 2018 at 7:00 PM for John Bendel presents Urban Exploration with a Camera.** John was an early participant in Urban Exploration photography before it even had a name, and he is going to share with us how he got started and what keeps him going back.

In 1969, John began producing a body of work on facilities abandoned by industries fleeing the Northeast. But in 1975 he put the camera aside to support his family as a truck driver, a salesman, a writer, an editor at National Lampoon, an actor, a TV home shopping host, and an entertainment reviewer/columnist/editorial page editor for a New Jersey daily. In the early 2000s, John scanned his work from the 70s for a show held at the OCAG in 2005. That same year he picked up his camera again and hasn't set it down since.

The Ocean County Artists' Guild is located at 22 Chestnut Ave. (Chestnut and Ocean Avenues) in Island Heights, NJ 08732.

This event is open to both members and non-members. The presentation is free but we do encourage an optional \$2.00 donation to the Guild.
