

October Plein Air at the Guild

The Gallery Committee invites you to come enjoy the company of fellow artists and join our plein air sessions at the Guild. Bring your art supplies, water, a folding chair, camera and enthusiasm. As all sessions are out of doors a mask will not be required as long as you social distance. You might want to bring one anyway in case you need to go inside the Guild.

We will meet on the following dates with the next day being the rain date:

- Thursday, October 8 (rain date 10/9) on the grounds of the Guild. 1-3pm.
- Wednesday, October 14 (rain date 10/15) down by the river to catch the sunset. 4-6pm.
- Tuesday, October 20 (rain date 10/21) at Cattus Island off Fischer Blvd in Toms River. Meet in the parking lot. 1-3pm.

You are then invited to participate in an art show at the Guild in March 2021. You may enter 2-3 pieces based on work inspired by these plein sessions – photographs, paintings, collages, prints.
