

Leona's Fall Monday Classes – Dec. 2022

Painting on Masa/Rice Paper - Watercolor or Acrylic

Monday Mornings 9:30 to 12 noon

3 week session

Dec. 5, 12, & 19th.

Lose and unpredictable, this style of painting is done on masa / rice paper. The paper is dipped in water then crumpled lightly into a ball. This is where the interesting lines come from. The paper is then carefully un-crumpled and laid out onto a flat surface. After blotting up excess water it's ready for the first layer of paint....Sumi Ink is a good medium to start with. During the paint layering process the paper is glued to 140lb. watercolor paper.

*Supply list will be given when signed up for class
