

HOW YOU CAN HELP

- Donate funds
- Donate knit or crochet dishcloths
- Organize a dish soap drive

About Us

We are located in New Jersey and deliver a monthly supply of dish and laundry soap to each food pantry that we serve.

Making a Difference

The average person spends \$170 a year on cleaning products. These cannot be purchased with government programs such as SNAP. We fill the gap by making these items available at local food pantries

DID YOU KNOW?

- Three in four families who are unable to afford household necessities skip washing dishes or doing laundry.

Make a difference by donating by mail or on our website

Volunteer Opportunities

- Delivery Drivers
- Knit and Crochet Volunteers
- Administrative Assistance
- Assembly Helpers

"Dirty dishes have a tale to tell"
But if you can't afford dish soap
not all is well
Help us donate to those in need

"Their dignity and sense of self-worth are both affected by the choices that they must make.

By including a handmade dishcloth, we're letting them know that someone cares

Each Stitch Counts

providing Dish soap with handmade dishcloths and laundry detergent to local food pantries
