### Donations

On behalf of the Ocean County Artists Guild, a non-profit organization that fosters and promotes the arts and education throughout the region, we are asking you to consider making a donation as part of our 2024 fundraiser.

The Ocean County Artists Guild, a non-profit organization that fosters and promotes the arts and education throughout the region, is celebrating its golden anniversary. The Guild through its volunteers has served the community for 50 years, offering a variety of art-related activities and events for people of all ages and skill levels, including art classes, artisan markets, community events, concerts, book clubs, and showcasing the work of local and regional artists. A historic Victorian in Island Heights is the home of the Guild which provides a charming and inspiring setting for art lovers and enthusiasts.

To continue to offer its programming and make needed restorations to its Victorian home, the Guild needs your support. We are asking you to help meet our goals with donated items or sponsorships and in-kind donations. As a sponsor or donor, you will have the opportunity to showcase your brand and products to a diverse and engaged audience. Depending on the level of donation or sponsorship you choose, you can enjoy additional benefits.

Tickets for our 50<sup>th</sup> Anniversary Benefit Dinner Dance and gift auction on September 27, 2024 can be purchased at [www.ocartistguild.org/event/golden-anniversary-dinner-dance/](http://www.ocartistguild.org/event/golden-anniversary-dinner-dance/)
