

Victor L Lido

1945 - 2025

Victor L. Lido was born in Passaic, NJ, on May 4, 1945. He lived and worked in New Jersey until 2017 when he relocated to Centennial, CO. He passed from this life on March 23, 2025. Vic was a Renaissance man! He was an engineer, a chef, an artist and art instructor, a choral singer, church leader, and a Dad and Grandfather.

Vic was the proud father of two sons, Jon-Erik V. Lido and Todd S. Lido and their beautiful spouses Melissa and Erin. He found joy in his two wonderful grandchildren, Gustav A. and Eleanor G. Lido. And he was Linda's high school sweetheart and loving husband of 56 years.

Out of college Vic worked developing gyroscopes for the space program. After obtaining his Master's in Management Science he worked in the US and Europe as a consultant in logistics and customer service. In his last position he managed new product development for a check processing company.

Vic loved being creative for the joy of creation itself, putting his energy to work to support the communities, organizations, and family he loved: as a wonderful cook; exploring and teaching art as well as managing the office at the Ocean County, NJ, Artist Guild; singing in church choirs all his life as well as being a 60+ year member of the Barbershop Harmony Society; serving on church councils and chairing church anniversaries and special events; and designing unbelievable Halloween costumes for his boys.

Vic was predeceased by his parents, Emma and Vito Lido, and his dear sister, Marie. He will be missed by his brother-in-law E. J. Greber, nephew David S. Greber, niece Stacy M. Greber and their families.

A Memorial Service will be held at Bethany Lutheran Church, Cherry Hills Village, CO on his 80th birthday, May 4, 2025, at 1:00 p.m. in the Bethany Chapel.
